CLOCHE Ceiling/Wall 25

A design by Ralf Frickel

CLOCHE

Chic like a lady's hat

A century after the invention of the famous Parisian Cloche hat, RF Objects takes care of its revival...

A tribute to the French haute couture of the early twentieth century, and a nod to the classic lampshades of the 1920s, the CLOCHE series are perfectly suited for modern, yet elegant commercial, retail, hospitality or residential spaces.
